Youth Volunteer Application

Audubon Nature Institute strives to provide meaningful opportunities for youth from different schools, neighborhoods, backgrounds, and experiences. We will work to ensure that the costs of the volunteer Program will not prevent any student from participating. Ability to pay tuition is not considered when selecting applicants. Scholarships and/or financial aid are available.

Tuition Fee is \$450.00. This one time tuition fee includes all training materials, one shirt and all field study trips. Uniform pants, shorts, and lunch are not included in the tuition fee. The tuition fee is due on **May 18, 2017** unless financial assistance including a payment plan is indicated below.

In such instances, financial aid will be available to students that are accepted into the program. Financial aid covers complete tuition costs including all training materials, one uniform shirt and all field study trips. If you have any questions about financial aid, please contact us at (504) 212-5194 or at youth@auduboninstitute.org
