

Eco Friendly Badge

Audubon Nature Institute cares about our environment and we hope you do too. Your troop can earn our ECO badge by following the items on our overnight checklist. ******Please inform out registrar that you are attempting to earn this badge at the time of registration.**

ECO checklist

You are responsible for bringing your evening meal to the overnight. Please plan wisely. Use real dishware, package up your healthy meal in re-useable containers. Use refillable water bottles. Plan a healthy meal with local food, consider meatless.

If your group gets **80 points** or more each participant will receive our Eco badge.

- At least 5 members of the troop carpoled to the nature center. **5 points**
- Group brought refillable water bottles. **15 points**
- No single use products were brought. These include plastic drink bottles, individual snack packaging, paper towels...(There's NO excuse for single use!) **20 points**
- Evening dinner was healthy and local. **10 points**
- Evening dinner was meatless. **10 points**
- Used cloth towels instead of paper towels. **10 points**
- Brought mess kits or re-useable dinner ware and silverware. **20 points**
- No disposable plastic bags were used to bring food to the event. **10 points**
- Participants discuss with naturalist educator a green or sustainable action that they do as a group. **10 points**

*This checklist will be used by the naturalist on the date of the event.
