Sea-Level Rise in the Classroom Louisiana Educator Workshop

Explore sea-level rise science from the intersection of social and environmental issues. This full-day interactive workshop hosted by Audubon Nature Institute and brought to you by PLACE:SLR, introduces science and social studies educators to the “Sea-Level Rise in the Classroom” curriculum. This curriculum fosters science-to-civics literacy through a high school curriculum focused on sea-level rise resilience and community-driven solutions.

Audience: Louisiana high school science and social studies educators

Participant Benefits: \$100 stipend, 6 contact hours, lunch

Date: March 19, 2022

Time: 8:30 AM - 4:00 PM

Location: Audubon Zoo, 6500 Magazine St., New Orleans, LA 70118

As per city/state mandates, proof of COVID-19 vaccination (or a 72 hour PCR negative test or antigen test) is required to attend the workshop. Face masks are recommended.
